Dear Sixth Grade Parents,

Unfortunately, the Broadway production of *Charlie and the Chocolate Factory* is closing this January. As a result, we must make a change in order to still offer a fantastic 6th Grade Broadway Field Trip to our students.

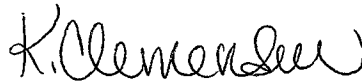

Luckily, we were able to secure tickets for *School of Rock* on Monday, May 7 at 7:00pm. The buses will depart from East Quogue Elementary School at 2:00pm and we will have an early dinner at Bucca di Beppo in Times Square before the show. There is no difference in cost for this trip.

We understand if you are no longer able to attend the trip. If this rescheduled performance presents a conflict for you, we will issue refunds to those who can no longer attend. Please complete the form on the reverse side of this letter along with the new permission slip and send it in with your child by Friday, December 15th. Refunds will be issued in early 2018.

If you had originally not planned to attend *Charlie and the Chocolate Factory*, but would now like to be considered for the trip, tickets will be issued through lottery, the number of which will correspond to the tickets that can no longer be used. We are unable to purchase additional tickets for this show.

On behalf of the Grade 6 Team, thank you for your understanding with this unexpected news. We look forward to an outstanding trip this May and wish you a very happy holiday season!

Musically yours,

Kim Clemensen
