Dear 6th Grade Parents,

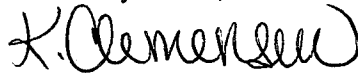

I am so pleased to announce that East Quogue Elementary School has made an exciting investment in our music program and we will be introducing a new World Music Drumming Program.

While the instruments are used in all grade levels, during this pilot year, we will be starting a before-school program for sixth graders. We are very excited for this opportunity for a new performing group and look forward to watching it grow over the rest of the year. **This group will meet Thursday mornings at 8:00am in the Music Room. We will be working toward an outdoor performance in June.**

If your child is interested in joining the group, please complete and return the attached form to me (Mrs. Clemensen) by February 2nd and sign up for my Remind messages (instructions attached). Depending on how many students we have interested in our program, we may have a rotating schedule where students participate every other Thursday. This will be determined the week of February 5th. If you have any questions, please email me at kcclemensen@eastquogue.k12.ny.us

I look forward to this new opportunity this year. Thank you for your continued support of the East Quogue Music Program!

Musically Yours,

Kim Clemensen
