## Cultural Community Night

### May 10, 2018

Dear Parents,

It is with great pleasure to announce that this year the East Quogue School will host a Cultural Community night! Our goal is to promote appreciation among our students for the different cultures represented in our community. Whatever your family heritage and traditions are; we would like to learn from you and celebrate the diversity of all of our students.

**What We Need:** Parents who are interested in representing a culture and hosting one of the tables. Some ideas for the table would be a game or items such as clothing or a flag from your country. Your ideas are welcome!

**Food:** One of the highlights of a Cultural Community night is the chance to taste food from around the world! If you would like to volunteer to make a dish please let it reflect your cultural background. It could be a snack, appetizer, dessert, or main dish to share with the community.

If you are interested in volunteering please plan to attend the informational parent meeting on March 6, from 6:30- 7:30 pm in the cafeteria of the East Quogue School.
