

Introducing the Wildcat Education Foundation! Benefiting the children of East Quogue School

Mission Statement: The Wildcat Education Foundation, Inc is a 501c3 organization intended to raise funds that will be dedicated towards educational purposes, including purchasing equipment and materials that would enhance the student's learning experience. Funds will be used for the improvement and upkeep of equipment and structures at the East Quogue Elementary School. Additionally, funds may be set aside for scholarships for East Quogue students graduating from high school and to support local community initiatives. This foundation has been created by East Quogue Community members, teachers and school representatives.
