

ATTENTION EARTH RANGERS:

Our Earth Rangers Garden Club has been so popular that we have decided to run a SUMMER Earth Rangers Camp! The program begins on July 10 through August 9th, meeting days will be on Tuesdays, Wednesdays and Thursdays. Please indicate your preferred time for your Earth Ranger to attend. There is a \$200.00 fee for our five week program. This is open to students entering 3-7th grade. As there are only 20 spaces available for each session we will operate on **a first returned form, first spot filled basis**; please return this form as soon as possible. A waiting list will be created in the event of any cancelations. June 18th is our cutoff date, please have this form and check returned by then. Checks are to be made out to East Quogue School.

If you have any questions, please do not hesitate to e-mail Ms. Justine at joudeans@eastquogue.k12.ny.us.

We are looking forward to seeing you this summer!!

Ms. Justine and Ms. Baltazar
