October 2, 2020

Dear Parents and Guardians,

Here at East Quogue Elementary School, we strive to do great things every day. We love sharing our students' pictures with you, but we understand if you would not like your child's picture posted to social media. Their pictures can be posted to Facebook, Instagram, our school website and our quarterly community newsletter. If you would **NOT** like their picture posted, please email us at: egregistration@eastquogue.k12.ny.us informing us of your refusal to post pictures to social media, and we will endeavor to make sure they are not posted on our site.

Sincerely,

Robert J. Long
Superintendent/Principal
