Hello East Quogue Community,

We know that the last few months have been challenging for us all. For many of us the challenge to stay safe, yet connected to friends and family is our biggest struggle. For others navigating the uncertainty and worry about what is to come. There are also families in our community that are struggling to keep their families fed.

We take pride in knowing that our community has pulled together to help our neighbors in need over the last many months, discreetly providing food delivery, weekend backpack meals and holiday meals. Our supporters are happy for the opportunity to help in these extraordinary times.

If you are struggling, we are here to help. Please just send a note or an email and we will work with you to get you the resources that you need.

With our best Wishes,

East Quogue School Community

Hola, comunidad de East Quogue

Sabemos que los últimos meses han sido un desafío para todos nosotros. Para muchos de nosotros, el desafío de mantenernos seguros, pero conectados con amigos y familiares, es nuestra mayor lucha. Para otros navegan por la incertidumbre y se preocupan por lo que está por venir. También hay familias en nuestra comunidad que están luchando para mantener a sus familias alimentadas.

Nos enorgullece saber que nuestra comunidad se ha unido para ayudar a nuestros vecinos necesitados durante los últimos meses, proporcionando discretamente la entrega de alimentos, comidas tipo mochila los fines de semana y comidas festivas. Nuestros seguidores están felices por la oportunidad de ayudar en estos tiempos extraordinarios.

Si tiene dificultades, estamos aquí para ayudarlo. Envíe una nota o un correo electrónico y trabajaremos con usted para brindarle los recursos que necesita.

Con nuestros mejores deseos,

Comunidad escolar de East Quogue
