## EAST END LITTLE LEAGUE

REGISTRATION IS NOW OPEN FOR THE 2021 SEASON!!!!

We are excited to open up registration for the 2021 season and to give our kids something fun to look forward to this spring.

Here are a few important things to know:

- 1) We have a new website and a new registration portal, so both new and returning families will need to create an account.
- 2) [Eastendll.com](http://Eastendll.com) is our new location. Please bookmark for future reference.
- 3) **Read the FAQs.** Please take a few moments to do this *before* beginning the registration process. Looking over this important information will make signing up easier and it will answer many of the questions you may have.
- 4) Once you are ready to create an account and register, click the green "Registration" tab and follow the steps.
- 5) Please consider volunteering to be a coach (sign up during the registration process). Remember that we are a volunteer league and always need both assistant and head coaches. We particularly need head coaches for our T-ball and Rookies levels. We will help get you going with ideas and practice plans. It really is a fun and rewarding experience for you and your child. Email [eellpresident@gmail.com](mailto:eellpresident@gmail.com) if you have questions.
- 6) A "Coupon Code" will be e-mailed shortly to those families that did not receive a refund last year. Please be on the lookout for that. There will be one code per family and it will cover the total cost for one or more children who registered last year. Simply apply this code at checkout.
- 7) Registration lasts until February 28<sup>th</sup> so please sign up soon.
- 8) A pdf copy of our Registration flyer is also attached.

We welcome our families back and look forward to this spring and the opportunity to get back on the field!
