

Join us! Tuesday, May 18, 2021 East Quogue School Field

The Mad Splatter Art Experience

The students of the East Quogue School are inviting Families and Friends to join us in a schoolwide splatter paint mural project. Families will be required to wear masks and stay socially distanced in our Splash Free Zone. Disposable rain ponchos, shoe coverings, and hair caps will be provided for students that would like to participate. Feel free to come and join the fun!! We suggest students do not wear their best clothes or shoes that day and dress accordingly for the event. All participants and visitors please refer to the schedule provided below for your assigned "Splatter" time.
