Parents/Guardians of East Quogue Students
Middle/High School

Dear Parents/Guardians:

The East Quogue School District has a policy which requires that all parents/guardians of children attending Grades 7 through 12 must complete a Verified Affidavit of Residency.

Please complete the enclosed form, have it notarized, and return it to the East Quogue Elementary School by August 20th to ensure that your child will be attending school in September at Westhampton Beach. The District will not pay tuition costs unless we have a Verified Affidavit of Residency.

For your convenience, the School District's Notary is available on Tuesday and Thursday mornings from 9am to 12 pm.

Sincerely,

Catherine J. Fenton, Ed. D.
Superintendent of Schools
